“Kokomo” was inspired by the  
1988 Beach Boys song:

*Aruba, Jamaica, ooh I want to take you to  
Bermuda, Bahama, come on pretty mama  
Key Largo, Montego, baby why don't we go  
Ooh I want to take you down to Kokomo,  
we'll get there fast and then we'll take it slow  
That's where we want to go, way down in Kokomo*

*get here fast  
then take it slow*
