**“Kokomo” was inspired by the
1988 Beach Boys song:**

*Aruba, Jamaica, ooh I want to take you to
Bermuda, Bahama, come on pretty mama
Key Largo, Montego, baby why don't we go
Ooh I want to take you down to Kokomo,
we'll get there fast and then we'll take it slow
That's where we want to go, way down in Kokomo*

*get here fast
then take it slow*
